

Big Brother Requirements

The Big Brother Program is a program to help acclimate the candidates into the fraternity by giving them an individual who will actively assist and guide the candidates. These individuals will not only be called big brothers, but they will be a big brother to their chosen candidate. As with all big and little brothers, the little brothers will learn the ways of life from the big brother, in this case the candidates will learn from the experience and knowledge of the fraters. Being a big brother takes time, effort, care and dedication. One must pledge to follow the requirements stated below:

- Must be a member in good standing with the fraternity.
- Must have great attendance to TKE events in previous year.
- Must attend all Hegemon meetings with little brother.
- Must attend all pledge events.
- Be aware of little brother's academic progress. Know his classes, and check in regularly to make sure he is doing ok.
- Assist little brother in meeting and interacting with other members
- Meet with little brother no less than once a week outside of TKE events.
- Help guide him through the education process, and provide advice and assistance with learning the material if necessary.
- If ok with little brother, write a welcome letter to his parents. (see Hegemon for details concerning the letter)

- Show a genuine interest in the young man whom will soon be referred to as frater and true friend.
- Act as a true frater, friend, and mentor

In addition to all the above requirements, we must not forget to continually show the little brothers, in word and in deed, the true meaning of love, charity, and esteem.

Note: Will more than likely be asking the big brothers to take sections to teach. Each big brother will teach for a half-hour about a particular topic (i.e. beginning tke history, xi history, etc)

At Induction, the Big brothers will bring their Teke Guide, and loan it to their little brothers until their own comes in the mail. (which should be quite soon thereafter)
