Named Scholarship Program ~

Established through the years in tribute to past TKE leaders or by interested alumni who desire to perpetuate the ideals of Tau Kappa Epsilon, the Names Scholarship program administered by the TKE Educational Foundation provides financial assistance to deserving young TKE scholars.

The Scholarship Funds that have been created are designed to encourage academic excellence, foster leadership skills and enhance the personal development of undergraduate members of the Fraternity.

Each scholarship fund has criteria that must be met to qualify for an award. Awards range from \$450.00 to \$2,500.00, and are given annually. Application packages are distributed through each chapter mailing from TKE International and may also be obtained by contacting the TKE Educational Foundation at 317-872-6533 or at tef@tehq.org via e-mail.

Applications are usually due to the International Fraternity by the end of May.

TKE Academic Team ~

The All-Teke Academic Team program seeks to identify and recognize TKE's Top Scholars, who are selected on the basis of their ability to maintain excellence in academic standing while making positive contributions to their chapters, university and community.

Applicants must have at least a junior year, full-time student status and cumulative grade point average of at least 3.5 on a 4.0 system. They must also be active members, in good standing, with their chapter of TKE and the university. All individuals who apply for and are named to the All-Teke Team are eligible and automatically considered for the John A. Courson Top Scholar Award. One member of the All-Teke Team will be selected for this distinguished award, the highest academic honor available to Tekes.

Each member of the All-Teke Academic Team receives a scholarship award of \$300.00 funded by TKE alumni contributions. The recipient of the Top Scholar award receives a scholarship amounting to \$2,000.00, which is funded by Past Grand Prytanis and past TKE Educational Foundation Chairman, John A. Courson (Alpha-Epsilon, Monmouth College, Illinois). Application packages are distributed through each chapter mailing from TKE International and may also be obtained by contacting the TKE Educational Foundation at 317-872-6533 or at tef@tehq.org via e-mail.

Applications are usually due to the International Fraternity by mid-February.
